Retaliation

Boosie Badazz

Nigga just killed TyeTye
Caught him slipping in a drive-by
We so surprise, his mama in tears
Somebody gon' die now
His baby mama she been crazy
She done lost her mind now
Don't want to look at his lil' boy
'Cause it look like my dog
I'ma set it off in the muthafucka
I'm going ham with an AK
I promise his mama
I'm gon' protect him
You gon' get slam with AK
I'll duck tape you homie
Write your name on this list
Pussy bitch
And this pencil ain't got no eraser on it
Blood spill when a boss talk, I'm from Louisiana
Murder capital of all these states, peel your banana
Retaliate, four to the chest, two the face, if you can relate
If you think you gotta wait, bitch you can die today
Imma ride for my nigga maneI ride for my niggas
I die for my niggas
We searching for blood
Retaliation, it's payback pussy
I ride for my niggas
I die for my niggas
We searching for blood
Retaliation, it's payback pussy
I ride for my niggas
I die for my niggas
We searching for blood
Retaliation, it's payback pussy
I ride for my niggas
I die for my niggas
We searching for blood
Retaliation, it's payback pussyLike sharks we searching for blood
Like Jaws I'm king of the sea
We kill, we kill'em with gloves

Boy, I'm 'bout to eat this piece
Gas up the rental car
Park 'round the corner, jump out
This here for my dog, mane
I ain't gon' lie, since he been gone
It's been so much pain
Flip him up with the Mac
Just like that
Let him know I'm 'bout drowning
Wait by his block , the barbershop and his baby mama
I get done with the gat, like London On The Track
It's always gangsta
Seek and you shall find
And it's a scary picture that I paint ya, niggaI ride for my niggas
I die for my niggas
We searching for blood
Retaliation, it's payback pussy
I ride for my niggas
I die for my niggas
We searching for blood
Retaliation, it's payback pussy
I ride for my niggas
I die for my niggas
We searching for blood
Retaliation, it's payback pussy
I ride for my niggas
I die for my niggas
We searching for blood
Retaliation, it's payback pussy
