There She Goes

Taio Cruz

[Taio Cruz - Chorus]There She Goes Looking Like A Star
With Her Body Shaped Like A Rock Guitar
There She Goes Like A Shooting Star
Make You Wanna Play
Makes All The Boys Them Say
[Pitbull]RedOne, Taio Cruz, Mr Worldwide
[Taio Cruz]Yeah, The Way Her Body Moving Like A Hurricane
Thought I Knew What Sexy Was But UhUh that Just Changed
She's A Pop Star, Rock Star
Fighter, Lover
She Knows Exactly What She's Doing, I Think She's A Pro
When She's Walking To The Room She Make Sure That She Know
She's A Thriller, Killer
Dancefloor Filler
[Taio Cruz - Chorus]There She Goes Looking Like A Star
With Her Body Shaped Like A Rock Guitar
There She Goes Like A Shooting Star
Make You Wanna Play
Makes All The Boys Them Say
There She Goes...

[Taio Cruz]Yeah She'll Grab You By The Hair And Make You Scream And Shout
She'd Like To Chew You Up And Then She'll Spit You Out
She's A Pop Star, Rock Star
Fighter, Lover
Oh No Don't Think That girl a lighter, she Don't Give A What
Yeah She Likes To Play With Fire And She Burns It Up
She's A Thriller, Killer
Dancefloor Filler
[Taio Cruz - Chorus]There She Goes Looking Like A Star
With Her Body Shaped Like A Rock Guitar
There She Goes Like A Shooting Star
Make You Wanna Play
Makes All The Boys Them Say
There She Goes...
[Pitbull - Rap Verse][Taio Cruz - Chorus]There She Goes Looking Like A Star
With Her Body Shaped Like A Rock Guitar
There She Goes Like A Shooting Star
Make You Wanna Play

Makes All The Boys Them Say
There She Goes...
