

# There She Goes

Taio Cruz

[Taio Cruz - Chorus]There She Goes Looking Like A Star  
With Her Body Shaped Like A Rock Guitar  
There She Goes Like A Shooting Star  
Make You Wanna Play  
Makes All The Boys Them Say

[Pitbull]RedOne, Taio Cruz, Mr Worldwide

[Taio Cruz]Yeah, The Way Her Body Moving Like A Hurricane  
Thought I Knew What Sexy Was But UhUh that Just Changed  
She's A Pop Star, Rock Star  
Fighter, Lover

She Knows Exactly What She's Doing, I Think She's A Pro  
When She's Walking To The Room She Make Sure That She Know  
She's A Thriller, Killer  
Dancefloor Filler

[Taio Cruz - Chorus]There She Goes Looking Like A Star  
With Her Body Shaped Like A Rock Guitar  
There She Goes Like A Shooting Star  
Make You Wanna Play  
Makes All The Boys Them Say  
There She Goes...

[Taio Cruz]Yeah She'll Grab You By The Hair And Make You Scream And Shout  
She'd Like To Chew You Up And Then She'll Spit You Out  
She's A Pop Star, Rock Star  
Fighter, Lover

Oh No Don't Think That girl a lighter, she Don't Give A What  
Yeah She Likes To Play With Fire And She Burns It Up  
She's A Thriller, Killer  
Dancefloor Filler

[Taio Cruz - Chorus]There She Goes Looking Like A Star  
With Her Body Shaped Like A Rock Guitar  
There She Goes Like A Shooting Star  
Make You Wanna Play  
Makes All The Boys Them Say  
There She Goes...

[Pitbull - Rap Verse][Taio Cruz - Chorus]There She Goes Looking Like A Star  
With Her Body Shaped Like A Rock Guitar  
There She Goes Like A Shooting Star  
Make You Wanna Play

Makes All The Boys Them Say  
There She Goes...
