

I'm Afraid of Me (Demo)

Culture Club

Some days in more ways
I need the distractions
Fire, desire, love and reaction
He must be someone
Yes even me
Something for nothing
Some wish to see
Life beyond reason Who will I be (who will I be)
I'm afraid of me
I'm afraid of me Always survive days
Cut and discretion
Touched in a sane way
Leave no impression He must be someone
Yes even you
Fool my direction
Some wish to see
Love without treason
Who will love me (who will love me) [Chorus:]
I'm afraid of me
I'm afraid of me
(Afraid to love you)
I'm afraid of me
I'm afraid of me Some days in more ways
I need the distractions
Fire, desire, love and reaction
He must be someone
Yes even me
Something for nothing
Some wish to see
Life beyond reason Who will I be (who will I be)
Always survive days
Cut and discretion
Touched in a sane way
Leave no impression
He must be someone Yes even you
Fool my direction
Some wish to see
Love without treason

Who will love me (who will love me)[Chorus]
