

Flamenco's Fuckin' Easy

Murder By Death

Life in the city
Everyone's busy
Packin' portfolios to kill competitionHey boss, hey boss, I'm capable of making your life easier but I'm drunk
on promotionsCan I get you some coffee?
Can I make you some copies?
Have you seen my resume? I'm a regular go-getterHey boss, hey boss, I'm capable of making your life easier
but I'm drunk on promotionsI'll take the slow life
Like a cowboy strayin' 'cross the open plains
Wandering without fear of a mondayHey boss, hey boss, I'm capable of making your life easier but I'm drunk
on promotions
