

You Might Die Trying (House M.D. OST)

Dave Matthews Band

To change the world,
It starts with one step
However small,
First step is hardest of all
Once you get to your gate
You will walk in tall
You said you never did,
Cause you might die tryingCause you might die trying
Cause youIf you close your eyes
Cause the house is on fire
And think you couldn't move
Until the fire dies
The things you never did
Cause you might die tryingCause you might die trying
We'll be as good as dead
Cause you might die trying
Cause you might die tryingIf you give you begin to live
If you give you begin to live
You begin
You get the worldIf you give, you begin to live
You get the world, you get the world
If you give, you being to live
But you might die tryingOh, you might die trying
You might die trying
The things you never did
Cause you might die tryingYou'll be as good as dead
You never did?
