

# Movin On

[Mila J](#)

I think the time has come  
To say goodbye to you  
No, I wont take you backoh cause I know  
About those other girls  
Baby ooooh Oooh does it hurtYou cant have me now  
You cant bring me down  
Oooh And your wordsThey will tumble down, They wont bring me downAnd all the words you put into my head  
I thought you loved me But you lied to me instead  
My eyes are open and Im moving on tonightI still remember all the things youve said  
I thought you loved me But you lied to me instead  
My eyes are open and Im moving on tonightTonight Im moving on Im moving aheadOoh and the words  
They cant hurt me now  
Cause I know they cant bring me down  
Tonight Im moving on Im moving ahead  
And all the words you put into my head  
I thought you loved me But you lied to me instead  
My eyes are open and Im moving on tonight  
I still remember all the things youve said  
I thought you loved me But you lied to me instead  
My eyes are open and Im moving on tonightTonight Im moving on Im moving ahead  
Tonight Im moving on Im moving ahead  
Tonight Im moving on Im moving aheadIm moving
