Vampires

House of Heroes

don't bother to show integrity, it never sells on the market
chain all the world, chain all the world down
don't fuss with creativity, they never asked for an artist
take all the heart, take all the heart out
and all the kids want to rock but they don't want to sit through antoher boring chourus
chain all the world, chain all the world down
and one or two at the top might give you a shot but they don't want to risk any losses
take all the heart, take all the heart out
the vampires want your blood
the vampires want your blood
you can't always get what you want
but they do
you can't always get what you want
but they know
the truth is what the want it to be, yeah!
drop by drop
drop by drop
drop by drop
drop by drop
the camera flash casts shadows from their egos
sing a song like you wrote it
puppets don't sing, puppets just dance
make a face like you mean it
the vampires want your blood
the vampires want your blood
you can't always get what you want
but they do
you can't always get what you want
but they know
the truth is what the want it to be, yeah!
