

# Rise (Acoustic)

## A Skylit Drive

Some days I feel like a loaded gun  
I paint a target on everyone  
Get off your knees cause I'm telling you  
What's done is done

What will you do?  
Will you run?

You think you're running away  
I think you're running in place  
Run!  
I've never seen you this way

Do not pray for an easy life  
Search for the strength to walk the line  
I see a hope that's hard to find  
So don't run away  
Away

Some days I feel like I'm fucking done  
I'm waging war against everyone  
It's killing me like it's killing you  
What's done is done

What will you do?  
Will you run?

You think you're running away  
I think you're running in place  
Run!  
I've never seen you this way

[x2:]

Do not pray for an easy life  
Search for the strength to walk the line  
I see a hope that's hard to find  
So don't run away  
Away

Away

This ends tonight

[x2:]

Do not pray for an easy life  
Search for the strength to walk the line  
I see a hope that's hard to find  
So don't run away  
Away

Away

[x2:]

So don't run away  
Away [x2]
