

Fetish (feat. Gucci Mane)

Selena Gomez

[Verse 1: Selena Gomez]

Take it or leave it

Baby take it or leave it

But I know you won't leave it

'Cause I know that you need it

Look in the mirror

When I look in the mirror

Baby I see it clearer

Why you wanna be nearer[Pre-Chorus: Selena Gomez]

I'm not surprised

I sympathize, ah

I can't deny

Your appetite, ah[Chorus: Selena Gomez]

You got a fetish for my love

I push you out and you come right back

Don't see a point in blaming you

If I were you, I'd do me too[Verse 2: Selena Gomez]

Reaching your limit

Say you're reaching your limit

Going over your limit

But I know you can't quit it

Something about me

Got you hooked on my body

Take you over and under and twisted up like origami[Pre-Chorus: Selena Gomez]

I'm not surprised

I sympathize, ah

I can't deny

Your appetite, ah[Chorus: Selena Gomez]

You got a fetish for my love

I push you out and you come right back

Don't see a point in blaming you

If I were you, I'd do me too[Verse 3: Gucci Mane]

The way you walk, the way you talk

I blame you 'cause it's all your fault

Ya playin' hard, don't turn me off

Ya acting hard, but I know you soft

You my fetish, I'm so with it

All these rumors bein' spreaded

Might as well go 'head and whip it

'Cause they sayin' we already did it
Call on Gucci if you ever need and
I'll be South Beach in the drop top gleamin'
Order diamonds, Aquafina
Just need you in a blue bikini[Chorus: Selena Gomez]
You got a fetish for my love
I push you out and you come right back
Don't see a point in blaming you
If I were you, I'd do me too
