On This Day

Alter Bridge

On this day I see clearly everything has come to life
A bitter place and a broken dream
And we'll leave it all behind
On this day its so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel aliveI've been defeated and brought down
Dropped to my knees when hope ran out
The time has come to change my waysOn this day I see clearly everything has come to life
A bitter place and a broken dream
And we'll leave it all, leave it all behindI'll never long for what might have been
Regret won't waste my life again
I won't look back
I'll fight to remain:On this day I see clearly everything has come to life
A bitter place and a broken dream
And we'll leave it all behind
On this day its so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel aliveFear will kill me, all I could be
Lift these sorrows
Let me breathe, could you set me free
Could you set me freeOn this day I see clearly everything has come to life
A bitter place and a broken dream
And we'll leave it all behind
On this day its so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive
