Rumour Mill (feat. Anne-Marie & Will Heard)

Rudimental

It's on a rumour mill, the word is on the street, I
I don't know how to feel about what you say to me, I
'Cause the body builds, they won't give me no release, I
Had somebody, cheap thrill, no chance of a remedy, noThe bad things be spreading round
No, no, let it go, just turn it down
Don't be a fool, don't be a clown
Can't tell me, won't tell me nothin' anyhow
Bad things be spreading round
No, no, let it go, just turn it down
Either way I'm coming round
Can't tell me, won't turn me downI, I don't even care about what they say
I don't even care about what they say
I don't even care about what they say, say, say, say, yeahIt's on a rumor mill, word is on the street, I
I love you so, the feeling's bitter sweet, I
How do you like me now? I'm at the crossroad you can't reach, I
Don't test me now, cause it's a test that you can't teachBad things be spreading round
No, no, let it go, just turn it down
Won't be a fool, won't be a clown
Can't tell me, won't tell me nothin' anyhow
Bad things be spreading round
No, no, let it go, just turn it down
Either way I'm coming round
Can't tell me, won't turn me downI don't even care about what they say
I don't even care about what they say
I don't even care about what they say, say, say, say, yeah
I don't even care about what they say
I don't even care about what they say
I don't even care about what they say, say, say, say, yeahNothin' anyhow, nothin' anyhow, nothin' anyhow, how
Nothin' anyhow, nothin' anyhow, nothin' anyhow, how
It's on a rumour mill
Nothin' anyhow, nothin' anyhow, nothin' anyhow, how
It's on a rumour mill
Nothin' anyhow, nothin' anyhow, nothin' anyhow, how
It's on a rumour mill
Nothin' anyhow, nothin' anyhow, nothin' anyhow, how
It's on a rumour mill
Nothin' anyhow, nothin' anyhow, nothin'It's on a rumour mill
