The Saddest Story Ever Told

it may never end

We used to go out on the summer nights
And dance in the neon rain
We used to hold hands at the movie show
But we'll never hold hands again
Do, do, do, do come on
Do, do, do, do come on
Those days are gone
You and I were young those summer nights
You'll see the world diving for a girl
You'll never find and then we'll quietly grow old
The saddest story ever told
Once upon a time we fell in love
Or at least that's what you said
You say I can find someone else
But I just wish I was dead
Do, do, do, do come on
Do, do, do, do come on
Those days are gone
You and I were young those summer nights
You'll see the world diving for a girl
You'll never find and then we'll quietly grow old
The saddest story ever told
