

Just One Of Those Things

Jamie Cullum

I'm sorry to say that I didn't know her name
In fact the last six hours are a haze
Piecing together the fragments of a frame
Why my motor skills are out of phase
I feel like I've awoken in a maze
Though we've never met before
Baby, I am sure
Hm
1, 2,
A 1, 2, 3, 4 It was just one of those things
Just one of those crazy flings
One of those bells that now and then rings
One of those things It was just one of those nights
Just one of those fabulous flights
A trip to the moon on gossamer wings
It was one of those things If we'd thought a bit about the end of it
As we started painting the town
We'd have been aware that our love affair
Was too hot not to cool down So good-bye and amen
Here's hoping we'll meet now and then
It was great fun
But it was just one of those things
One of those things If we'd thought a bit about the end of it
As we started painting the town
We'd have been aware that our love affair
Was too hot not to cool down So good-bye, good-bye and amen
Here's hopin' we'll meet now and then
It was great fun
But it was just one of those things
