Yeah! Hello ToppDogg! You donâ€™t know us?

T.O. Double P D.O Double G

Play the music of Topp Dogg!

Hey hey (hey itâ€™s good)

Hey hey (hey the jihwaja1 is good)

Hey hey (hey itâ€™s good)

Hey hey

(Topp Dogg going to the top)

Play the music, make a scene,

itâ€™s so exciting

Everyone is humming along â€œ

I donâ€™t know why others do such typical raps

Iâ€™ll just tell you, ours is the best

Our rap will win with art

Our lyrics are like a newlywed bride

Who are you blaming?

Youâ€™re just like the in-laws

God bamm A-tom got a bomb bomb and pow

Someone like you is easy, taste it,

the beating, A.T.O and M power

Weâ€™ll take over this place

Play the music

Itâ€™s a fun feast, everyone gather together

Say this and that, Iâ€™m about to start

Weâ€™re the greedy officer who steals your eyes and ears

The executioner who is the best on stage

Everyone moves to our beat as if theyâ€™re crazy

Hey the jihwaja good

Iâ€™m so shocked, you still donâ€™t know me?

Weâ€™re the bad boys from the south, Topp Dogg

Remember me

We know how to play

Gather around, Iâ€™m not joking

We know a little something

Weâ€™re very different

After carelessly making a few tracks

for the fans, who are like the

nationâ€™s people, and confusing them

You sell it for money, youâ€™re a rapper

thatâ€™s like a beacon mound2,

attracted by just mere smoke  
Iâ€™m always diligent and consistent,  
always running around like a mapae3  
Kid, what are you doing over there?  
Youâ€™re a commoner who is playing with a mask of a nobleman  
Are you having fun? I put on my bamboo hat crookedly  
Thickly putting forth my own culture

Weâ€™ll take over this place  
Play the music  
Itâ€™s a fun feast, everyone gather together  
Say this and that, Iâ€™m about to start

Weâ€™re private messengers with mapaes  
If you canâ€™t play, youâ€™ll have to be punished  
Everyone moves to our beat as if theyâ€™re crazy  
Hey the shouts and clapping are good

Iâ€™m so shocked, you still donâ€™t know me?  
Weâ€™re the bad boys from the south, Topp Dogg  
Remember me  
We know how to play  
Gather around, Iâ€™m not joking  
We know a little something  
Weâ€™re very different

Iâ€™m so shocked, you still donâ€™t know me?  
Weâ€™re the bad boys from the south, Topp Dogg  
My soul is extending, past the Arirang Hill  
Iâ€™m so shocked, you still donâ€™t know me?  
Weâ€™re the bad boys from the south, Topp Dogg  
Remember me
