

# Heaven's Missing An Angel

## 98 Degrees

Oh, no I hope the man upstairs isn't mad at me  
'Cause I have one of his angels and she's here with me  
Each time I see her precious smile when she spreads her wings  
It takes me to a place where love meets eternity Oh no, I'm not letting go  
I don't wanna be alone in this crazy world  
Oh Lord, I love her so  
And I'll sacrifice it all to have her in my life I found my girl, I'll tell the world  
That Heaven is missing an angel  
My dreams came true when I found you  
Yes, Heaven is missing an angel Not a day goes by that I don't thank God for you  
He blessed me with my angel though I don't deserve you  
Before I met you girl, lonely was my best friend  
Now that you are in my life, I am stronger within I can't wait to kiss my angel late at night  
And watch her go to sleep until I see her rise, oh I found my girl, I'll tell the world  
That Heaven is missing an angel  
My dreams came true when I found you  
Yes, Heaven is missing an angel All that I do is for you, me without you girl, just won't do  
Oh no no, your love's all I wanna know, angel, don't you ever go  
Life won't be the same without you, you, you, you, oh oh yeah I found my girl, I'll tell the world  
That Heaven is missing an angel  
My dreams came true when I found you  
Yes, Heaven is missing an angel I found my girl, I'll tell the world  
That Heaven is missing an angel  
My dreams came true when I found you  
Yes, Heaven is missing an angel
