

Ride (Genuine)

Stacie Orrico

Want to know how I got to be this way
Want to know if you had it would you be the same
I can tell that you're tired of playing a losing game I'm checkin' you 'cause I got love for you
I gotta let you know that you don't have to lose Come take a ride on the
The other side if you're
Lookin' for love that you
You cannot find
'Cause you gotta know love comes in many many ways
But the love that God give you will never never change I know you feel that time has left you by yourself
You can just chill 'cause God's been with you ever step
And even when you took a ride to ease the pain inside
Don't ever think He's been away from you
He's got a million angels who've been watchin' for you come on Come take a ride on the
The other side if you're
Lookin' for love that you
You cannot find
'Cause you gotta know love comes in many many ways
But the love that God give you will never never change Well it's alright if you want to want to take a ride
Well it's alright if you want to want to take a ride
