[Xenia Ghali](#)

Kill me, there's nothing worst then my job
Stop to countdown
I'm keeping 'of the
Five, four, three, there's a bomb inside of me
I gotta let it out, gotta let it out It's fine and I don't wann waist it
Just wanna get waste it
And I, I'm living like this one life tonight We'll going for
Shut out the
Send me automatic
And I'm ready to go
We'll never forget this
Let's make it happens
There is no tomorrow
Cuz we living today
Let's go out with a bang
Let's go out with a bang
Let's go out with a bang
We're .higher that we ever been
There was nothing that help how we feeling
We can stop on the road to get it high
And we burning out
Yeah we burning out It's the time
And I don't
It's fine and I don't wann waist it
Just wanna get waste it
And I, I'm living like this one life tonight
We'll going for'
Shut out the
Send me automatic
And I'm ready to go
We'll never forget this
Let's make it happens
There is no tomorrow
Cuz we living today
Let's go out with a bang
Let's go out with a bang
Let's go out with a bang
I want only to feel the life
Wake me up 'cuz I'll be sleeping

When now my eyes re only wide
I just wanna go out with the bangWe'll going for
Shut out the
Send me automatic
And I'm ready to go
We'll never forget this
Let's make it happens
There is no tomorrow
Cuz we living today
Let's go out with a, out with the
Let's go out with a, out with a, out with a
Let's go out with a bang
Let's go out with a bang
