

# Stadium Love

James Fauntleroy

Wanna make a bet  
We'll be neck to neck taking off the gloves  
Spider versus bat  
Tiger versus rat, rabbit versus dove  
Wanna make a bet  
Odds are neck to neck taking off the gloves  
Spider versus bat  
Tiger versus rat, owl versus dove  
Every living thing pushed into the ring  
Fight it out to wow the crowd  
Guess you thought you couldn't just watch  
No one's getting out  
Without stadium love  
Without stadium love  
Wanna make a trade  
Cougar for a snake, wanna fall in love

Wanna make a deal  
Angel versus eel, owl versus dove  
Every living thing pushed into the ring  
Fight it out to wow the crowd  
Guess you thought you couldn't just watch  
No one's getting out  
Without stadium love  
Without stadium love  
We've got stadium love  
We've got stadium love  
We've got stadium love  
We've got stadium love  
Stadium love, love, love, love  
Stadium love, love, love, love
