Fasholy (feat. E Mozzy)

Mozzy

Mozzy 1st part- Solid like the team use to be when we was 10 deep. bend the wrong corner fuck around and get your shit cheesed. (Blahdadah) 3 Round verse on it. Niggas scared of the ave , we go to church on it. Swerve on him juke move on the fufu.boobie trap bunking , Mr Grind house Goroo, hell gang suwoop, spill his bowl of Nunu's. Little nigga died for sneak dissing over YouTuuuube. It ain't no warning shots in my residential , niggas bit the hand that feed him cause you fed him Kibbles. He ain't felt it how I felt it I can never feel him, my shooting squad with the stuffasis its whatever with them. Let the whole 30 sizzle only 7 hit him, you can never be in the streets if you aint never in them. Evidentially we them niggas it ain't hard to tell, after all the shit I did I think I'm hard as hell.

Chorus- You know the yiki on me I keep it on me fasholy, for niggas that's speaking on me I'm Geeking on him fasholy x4

E-mozzy naybahood illa I'm the nigga, i just stack the money up and watch them digits trix4)e. Better take the outside don't come thru the middle, cause my side play ruff we don't care what the officials say. Niggas say that I'm the one you pussy niggas emitate , hammermaited I can tell from far that you ain't a gangsta. Bout chicken give a damn about being famous , Every time we pull up the whole car aiming, its hell gang goon side fuck what y'all claiming, its really fire works light him up if my dog change. Under the pebble beach palm is where my squad hang, Free my niggas that's stuck in the dog cage. Eagle eye I can see you snakes from a mile away, a lot of niggas snitching on us now days. I keep a distance from these niggas, fuck around and get sentenced I just hit a couple digits tell my hittas come finish up.

Chorus- you know the yiki on me I keep it on me fasholy, for niggas that's speaking on me I'm geeking on him fasholy x4

Again- you know the know the yiki on me I keep it on me fasholy, for niggas that's speaking on me I'm geeking on him fasholy x4

Again- you know the yiki on me I keep it on me fasholy, for niggas that's speaking on me I'm geeking on him fasholy x4
