We Close Our Eyes (Total Overhang Club Mix)

Go West

Inside everyone hides one desire
Outside no one would know
Danger close to edge of the knife
Safer not to let go
And while we miss chances
You can almost hear time slipping awayWe close our eyes we never lose a game
Imagination never lets us take the blame
We close our eyes to see the final frame
We close our eyes to time slipping awayNo show Wednesday girl waits with the wine
She knows just what to say
While no one listens
You can almost hear time slipping awayWe close our eyes we never lose a game
Imagination never lets us take the blame
We close our eyes to see the final frame
We close our eyes andWe can talk to strangers
We are burning with the spark
And we can walk on water
We are tigers in the dark
We are burningWe close our eyesHeroes never give into the night
He knows how far he can run
And as he surrenders
You can almost hear time slipping awayWe close our eyes we never lose a game
Imagination never lets us take the blame
We close our eyes to see the final frame
We close our eyes
