

Shelter

Jars Of Clay

To all who are looking down
Holding onto hearts still wounded
For those who've yet to find it
The place is near where love is moving
Cast off the robes you're wearing
Set aside the names that you've been given
May this place of rest in the fold of your journey
Bind you to hope, you will never walk alone
In the shelter of each other
We will live, we will live
(Never walk alone)
In the shelter of each other
We will live, we will live
(Your arms are all around us)
Oh, oh, we will live, oh, oh
If our hearts have turned to stone
There is hope, we know the rocks will cry out
And the tears aren't ours alone
Let them fall into the hands that hold us
Come away from where you're hiding
Set aside the lies that you've been living
May this place of rest in the fold of your journey
Bind you to hope that we will never walk alone
In the shelter of each other
We will live, we will live
(In the shelter)
In the shelter of each other
We will live, we will live
(You will never walk alone)
In the shelter of each other

(And Your arms are all around us)
We will live, we will live
In the shelter of each other
(And Your arms are all around us)
We will live, we will live
If there is any peace, if there is any hope
We must all believe our lives are not our own
We all belong

God has given us each other
And we will never walk alone
In the shelter of each other
We will live, we will live
(We will never walk alone, in the shelter)
In the shelter of each other
We will live, we will live
(Your arms are all around us)
In the shelter of each other
We will live, we will live
(And Your arms are all around us)
In the shelter of each other
We will live, we will live
(And Your arms are all around us)
In the shelter of each other
We will live, we will live
(And Your arms are all around us)
In the shelter of each other
We will live, we will live
(We will never walk alone)
Never walk alone
