

Cochise (OST Iron Man Trailer)

Audioslave

Well, I've been watching
While you've been coughing
I've been drinking life
While you've been nauseous
And so I drink to health
While you kill yourself
And I've got just one thing
That I can offerGo on and save yourself
And take it out on me
Go on and save yourself
And take it out on me, yeahI'm not a martyr
I'm not a prophet
And I won't preach to you
But here's a caution
You better understand
That I won't hold your hand
But if it helps you mend
Then I won't stop itGo on and save yourself
And take it out on me
Go on and save yourself
And take it out on me
Go on and save yourself
And take it out on me
Go on and save yourself
And take it out on me, yeahDrown, if you want
And I'll see you at the bottom
Where you crawl
On my skin
And put the blame on me
So you don't feel a thingGo on and save yourself
And take it out on me
Go on and save yourself
And take it out on me
Go on and save yourself
And take it out on me
Go on and save yourself
And take it out on me, yeah
