Set Me Free

Fefe Dobson

Set me free
Let me live again
You made the cage, you got the key
Set me free
Let me be
I'm so tired of hurtin'
But it's all I can do
So I'm askin' you to set me free
(Set me free, set me free, set me free)
I don't wanna hurt anymore
(Set me free, set me free, set me free)
I'm checking all my pain at the door
Leave me here alone let me bleed
Set me free
Mercy please, drop your weapons baby
I'm down on my knees
Why can't you see, you're killin' me
(Set me free, set me free, set me free)
I don't wanna hurt anymore

(Set me free, set me free, set me free)
I'm checking all my pain at the door
Leave me here alone let me bleed
Set me free
Hmmmm oooooh yaaaaa
Aaaaahhhh ooooo mmmhhhmm
Oooooo hooooo
Set me free
(Set me free, set me free, set me free)
I don't wanna fight anymore
(Set me free, set me free, set me free)
I'm pickin' myself up off the floor
Leave me here alone let me bleed
Set me free
Yaaaa
(Set me free, set me free, set me free)
Well I don't wanna hurt anymore
(Set me free, set me free, set me free)
I'm checking all my pain at the door

Leave me here alone let me bleed
Set me free
