

# Sympathy

## Goo Goo Dolls

Stranger than your sympathy  
And this is my apology  
I killed myself from the inside out  
And all my fears have pushed you out And I wished for things that I don't need  
(All I wanted)  
And what I chased won't set me free  
(It's all I wanted)  
And I get scared but I'm not crawlin' on my knees Oh, yeah  
Every thing's all wrong, yeah  
Every thing's all wrong, yeah  
Where the hell did I think I was? And stranger than your sympathy  
Take these things, so I don't feel  
I'm killing myself from the inside out  
And now my head's been filled with doubt We're taught to lead the life you choose  
(All I wanted)  
You know your lucks run out on you  
(All I wanted)  
And you can't see when all your dreams aren't coming true Oh, yeah  
It's easy to forget, yeah  
When you choke on the regrets, yeah  
Who the hell did I think I was? And stranger than your sympathy  
And all these thoughts you stole from me  
And I'm not sure where I belong  
And nowhere's home and no more wrong And I was in love with things I tried to make you believe I was  
And I wouldn't be the one to kneel before the dreams I wanted  
And all the dark and all the lies were all the empty things  
Disguised as me Mmm, yeah  
Stranger than your sympathy  
Stranger than your sympathy  
Mmm
