

Toast 2 the Good Times

Ian Guerin

I can still remember the first time that we met
It was all so perfect
I would never forget
You changed the song the stereo played
& smiled at me & said
We got to change the music or thisâ€™ll never work

Crazy, naughty, reckless & delirious love
Good things never change despite the said & done

I can still remember the letter I wrote you
You said it was magic
I knew it was the truth
You had the heart I had the time
It had to be a sign
No doubt that you were better but I was a good man

Crazy, naughty, reckless & delirious love
Good things never change despite the said & done

I had the feeling that you were feeling exactly how I felt
It was the right love
The reckless
The crazy
The nutty
The screw loose
The freaked out
The crazed
The moonstruck kind of love
The kind that gotchu up
The kind that gotchu jumping
Like there was nothing more & more & more & more & more & more

WOU- WOU- WOU-WO-O-O
(Toast 2 the Good time) x2
WOU- WOU- WOU-WO-O-O
(Toast 2 the Good time, let us Toast 2 the Good time)
WOU- WOU- WOU-WO-O-O
(Toast 2 the Good time) x2
WOU- WOU- WOU-WO-O-O

(Toast 2 the Good time, let us Toast 2 the Good time)

WOU- WOU- WOU-WO-O-O

(Toast 2 the Good time) x3

(Let us Toast 2 the Good time)

(x2)

Toast 2 the Good time

Let us Toast 2 the Good time

Toast 2 the Good time (x3)

Let us Toast 2 the Good time

Toast 2 the Good time (x6)

Let us Toast 2 the Good time

Toast 2 the Good time (x3)

Let us Toast 2 the Good time

If I never thanked you

Or even I did

There is no expression

That says just how I feel

There ainâ€™t ink or lyrics

That can make up to it

So if someone loves you

I love you that times ten

Crazy, naughty, reckless & delirious love

Never, ever, never would I leave you alone

All those days I donâ€™t call

Please forgive me itâ€™s all for love

The kind of love that gotchu up

The kind of love that got you off

The kind of love that got you out

Of your mind so scream & shout so

WOU- WOU- WOU-WO-O-O

(Toast 2 the Good time) x2

WOU- WOU- WOU-WO-O-O

(Toast 2 the Good time, let us Toast 2 the Good time)

WOU- WOU- WOU-WO-O-O

(Toast 2 the Good time) x2

WOU- WOU- WOU-WO-O-O

(Toast 2 the Good time, let us Toast 2 the Good time)

WOU- WOU- WOU-WO-O-O

(Toast 2 the Good time) x3
(Let us Toast 2 the Good time)

(x2)
Toast 2 the Good time
Let us Toast 2 the Good time

Only you & me
Thatâ€™s all we need
(Keep the faith baby) x3

Only you & me
Thatâ€™s all we need
(Keep the faith baby) x3

Only you & me
Thatâ€™s all we need
(It all happens if you just keep the faith) x2

Only you & me
Thatâ€™s all we need
(It all happens if you just keep the faith) x2

Only you & me
Thatâ€™s all we need
(It all happens if you just keep the faith) x2

Only you & me
Thatâ€™s all we need
(It all happens if you just keep the faith) x2

Only you & me
Thatâ€™s all we need
(It all happens if you just keep the faith) x2

Only you & me
Thatâ€™s all we need
(It all happens if you just keep the faith) x2

Only you & me
Thatâ€™s all we need
