

# Enough (Interlude)

**Mario Winans**

Hello  
Hey yo  
Hey, baby  
Where you at man? Huh? I'm on my way home  
It's four thirty in the mornin'  
I know, I had to drop my girls off  
Alright, be careful  
Bye Yeah girl, that was him  
I tell him the same thing I always tell him  
And it worked again  
Yo it's still me on the phone Can't believe that you did it  
Oh baby, yeah  
Can't believe that you did it to me  
Oh, baby, love ya baby
