

# My Revenge

## Annihilator

Dedicated to the chosen craft  
I made the choice there is no going back  
I never deviated from the goal  
And I never doubted givin' up my soul  
Try to take it down and to offend  
It will not break and it will never bend  
What you give you get back in return  
Cross me fool and you will learn  
Fight on survival clawing away til the end  
Fight on survival this is how I get my  
This is how I get my get my revenge  
Spitting in your face verbal attack  
Daggers in the air behind your back  
Try to stop me if you think you must  
The mirror looks back at you in disgust  
Slam it all and drag it through the mud  
You cannot shut it down it's in the blood  
Critics it's not what you expect  
But show some goddamn respect  
Fight on survival clawing away til the end  
Fight on survival this is how I get revenge  
Fight on survival clawing away til the end  
Fight on survival this is how I get my  
This is how I get my get my revenge  
Sometimes it gets lonely lonely  
And sometimes it's full of pain full of pain  
But if I could go back in time back in time  
Would I do it all again yes I would  
Yeah I don't give a damn what you say  
'cause nothing's gonna get in my way  
There's time to kill and nothin' left to do  
Just sit and judge who the fuck are you  
Fight on survival clawing away til the end  
Fight on survival this is how I get revenge  
Fight on survival clawing away til the end  
Fight on survival this is how I get my  
This is how I get my get my revenge ooh my revenge  
Yeah yeah yeah yeah yeah this is it yeah so long
