Sick Again (Early Version)

Led Zeppelin

From the window of your rented limousine, I saw your pretty blue eyes
One day soon you're gonna reach sixteen, Painted lady in the city of lies

Oh, do you know my name? Do I look the same
You know I'm the one you want. I must be the one you need, yeah

Clutching pages from your teenage dream In the lobby of the Hotel Paradise
Through the circus of the L.A. queens. How fast your learn the downhill side

Lips like cherries and the brow of a queen, Come on, flash it in my eyes
Said you dug me since you were thirteen,Then you giggle as you heave and sigh

Hours, hours, and the moments in between, Oh, baby, I couldn't count the times
The fun of comin', oh the pain in leavin', Baby, dry those silver eyes

Oh, that's right
