

Right Now (live)

Van Halen

Don't want to wait 'til tomorrow
Why put it off another day
One more walk through problems
Built up, and stand in our way, ah One step ahead, one step behind me
Now you gotta run to get even
Make future plans, don't dream about yesterday, hey
C'mon turn, turn this thing around Right now, hey
It's your tomorrow
Right now,
C'mon, it's everything
Right now,
Catch a magic moment, do it
Right here and now
It means everything Miss the beat, you lose the rhythm
And nothing falls into place, no
Only missed by a fraction
Slipped a little off your pace, oh The more things you get, the more you want
Just trade in one for the other
Workin' so hard, to make it easier, whoa
Got to turn, c'mon turn this thing around Right now, hey
It's your tomorrow
Right now
C'mon, it's everything
Right now
Catch that magic moment, do it
Right here and now
It means everything
It's enlightened me, right now
What are you waitin' for
Oh, yeah, right now Right now, hey
It's your tomorrow
Right now
C'mon, it's everything
Right now
Catch that magic moment, and do it right, right now
Oh, Right now
It's what's happening?
Right here and now
Right now

It's right now
Oh,
Tell me, what are you waiting for
Turn this thing around
