

# Death Trip

## Iggy Pop ba

Aaaaaoooowww!

Say hey hey! Say hey hey hey!

Honey honey honey yeah yeah!

Say yeah yeah yeah!

Oooooowww! Awwright!

An' now my four-wheel'll steer you 'round (???)

Sucking a new life (?????)

My voodoo-master my machine, baby, will not stand in line

A sick boy, sick boy goin' 'round, baby, the illusion is real (????)

Baby, want to take you out with me, come along on my death trip

My death trip honey my death trip

A-honey honey honey my death trip

Baby my death trip

Oooooooww! Awwright!

Now tell me, do you care for me

Once I care for you

A-honey, come and be my enemy so I can love you true

A sick boy, sick boy baby an' I love it to be cruel

Baby with me in the heat (???)

Turn me loose on you, loose on you

Honey loose on you a-honey loose on you

Honey loose on you!

Oooooowww!

Turn me turn me loose on you

Turn me turn me loose on you

Turn me turn me loose on you

Turn me turn me turn me loose ....

Ooooooww!

Say I'll rip you, you'll rip me

A-honey we're going down in history

Say I'll rip you, you'll rip me

A-honey we're going down in history

We're going down

We're going down

We're going down

We're going down

Going down  
Going down

Blow my cool, bite my lip  
Sing with you on my death trip  
You will state you're a saint (???)  
You can save me and everything  
You're gonna save me (repeat)

You're gonna save me save me save me now!

Save me save me save me now!  
Save me save me save me now!  
Save me save me save me now...

I say I'll stick you  
You'll stick me, come on  
I say I'll stick you down  
You'll stick me  
I say I'll rip you
