

Oh! (Vicarious Bliss Love Dove Remix)

We Have Band

We always said we wanna
Oh, oh, oh
We always said we wanna
Oh, oh, oh We always said we wanna
Oh, oh, oh
We always said we wanna
Oh, oh, oh Take your time, take a seat
Take a sit down
Deep breaths, look around
At the surrounds Blinding me, blinding you
Would sit us down
Slipping in, slipping in
Slipping in the crowd Name tag tucks you
To the lost and found
[Incomprehensible]
[Incomprehensible] from the ground Folding back both your ears
Till you cut the sound
From the back, from the front
From the other ground We always said we wanna
Oh, oh, oh
We always said we wanna
Oh, oh, oh We always said we wanna
Oh, oh, oh
We always said we wanna
Oh Let's speak while the freaks
Are whispering
All the while in style
No one listening Bare bones are the clones
In control
They know and we know
How this will unfold Confused, amused
As they hit the floor
Want more tap, tap
On the double door Stepping up, stepping out
Now you feel good
Just like you were told
Like you always should We always said we wanna
Oh, oh, oh
We always said we wanna

Oh, oh, oh We always said we wanna
Oh, oh, oh
We always said we wanna
Oh, oh, oh We always said we wanna
We always said we wanna
We always said we wanna
We always said we wanna
Oh, oh, oh We always said we wanna
We always said we wanna
We always said we wanna
We always said we wanna
Oh, oh, oh We always said we wanna
Oh, oh, oh
We always said we wanna
Oh, oh, oh We always said we wanna
Oh, oh, oh
We always said we wanna
Oh We always said we wanna
Oh, oh, oh
We always said we wanna
Oh, oh, oh We always said we wanna
Oh, oh, oh
We always said we wanna
Oh, oh, oh
