

Ennui on the Mountain

Hall & Oates

We don't need a whole lot of money
We don't need a Cadillac car
But what we need is a mountain in Montana
A thousand acre world for the roadies and the girls
But you need a whole lot of money
Lots of loot, to tell you the troot'
Oh, we know what's good but we love what's bad
And it'd be Ennui on the mountain anyway
Oh I don't know if it's high or low
But it's round and round and round and round we go
I don't know what I need, yeah yeah yeah yeah
Oh I don't know what I need
Everyday we try to get higher
Any way to the dream at the end
AM airplay and a golden concept album
So that they pay for what you say
And they hang on every word
You and me are just Ponce de Leon-y
Looking for something we ain't never gonna find
Oh, we know what's good but we love what's bad
And it'd be Ennui on the mountain anyway
Oh I don't know if it's high or low
But it's round and round and round and round we go
I don't know what I need, yeah yeah yeah yeah
Oh I don't know what I need, yeah yeah yeah yeah
Oh I don't know
Oh and all I go round and round and round and round
And round and round we go
You round and round and round baby
Round we go
I don't know what I need yeah yeah yeah yeah
Oh I don't, I don't know I don't know
