## Sisters Of Mercy

Well turn away in a passive decision  
Well take the steps through the unmarked door  
A look back for another collision  
But the boys of the spires are boys no moreNot black and red boys frightened by the night  
By the catholic monochrome  
The catholic girls now stark in their dark and white  
Dread in monochromeThe Sisters Of Mercy, high tide, wide eyed  
Sped on adrenochrome  
For the sisters of mercy filled with panic in their eyes  
Rise dead on adrenochromeWe had the power, we had the space  
We had a sense of time and place  
We knew the words, we knew the score  
We knew what we were fighting forFor the freedom, the time to choose  
But time to think is time to lose  
The signals clash and disappear  
The shade too loud and the sound unclearFor the high tide wide eyed  
Dread in monochrome  
Denied in spite  
Disliked in monochromePanic in their eyes  
Rise dead and monochrome  
The Sisters Of Mercy  
Spite on adrenochromeThe way is clear, the road is closed  
The damage done and the course imposed you
