Shoot It Out

Sporty-O

Shoot it, shoot it out cuz they want it, want it now, now.
Shoot it, shoot it out cuz they want it, want it now.Shoot it, shoot it out cuz they want it, want it now, now.
Shoot it, shoot it out cuz they want it, want it now.
Shoot it, shoot it out cuz they want a little more, you can be rest assured.
You give them all you got and you give them a little more and
you never even know what for.
They feed and they suck until you're unconscious.
It's never enough, they kill your subconscious.I'm ready to die.Will you kill what's left of me to stop the bleeding?
(Shoot it, shoot it out cuz they want it, want it now, now)
(Shoot it, shoot it out cuz they want it, want is now, now)
Suffocate integrity till I'm not breathing.
(Shoot it, shoot it out cuz they want it, want it now, now)
(Shoot it, shoot it out cuz they want it, want it now)Feed them, fucking starve them, keep begging a little more.
Feed them, fucking starve them, keep begging a little more.
Feed them, fucking starve them, keep begging a little more.
I'm not gonna be your whore.
Load it, cock it, pull it, refuse to be ignored.
I'm not gonna fight your war.
All the distractions kill the compassion.
Suddenly fame has lost its attraction.I'm ready to die.Will you kill what's left of me to stop the bleeding?
(Shoot it, shoot it out cuz they want it, want it now, now)
(Shoot it, shoot it out cuz they want it, want is now, now)
Suffocate integrity till I'm not breathing.
(Shoot it, shoot it out cuz they want it, want it now, now)
(Shoot it, shoot it out cuz they want it, want it now)Feeding the wolves... don't you know better?
Feeding the wolves... the taste of blood is bitter.
(Feeding the wolves)
(You're feeding the wolves)
Feeding the wolves... don't you know better?
(Feeding the wolves)
(You're feeding the wolves)
Feeding the wolves... the taste of blood is bitter.Will you kill what's left of me to stop the bleeding?
(Shoot it, shoot it out cuz they want it, want it now, now)
(Shoot it, shoot it out cuz they want it, want is now, now)
Suffocate integrity till I'm not breathing.
(Shoot it, shoot it out cuz they want it, want it now, now)
(Shoot it, shoot it out cuz they want it, want it now)Shoot it, shoot it out cuz they want it, want it now, now.
Shoot it, shoot it out cuz they want it, want it now!
