

# What a Difference a Day Makes

Peter Criss

What a difference a day makes  
Twenty-four little hours  
Brought the sun and the flowers  
Where there used to be rain  
My yesterday was blue, dear  
Today I'm a part of you, dear  
My lonely nights are through, dear  
Since you said you were mine, oh, mine  
What a difference a day makes  
There's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss, that thrilling kiss  
It's heaven when you  
Find romance on your menu  
What a difference a day makes  
And the difference is you  
My yesterday was blue, dear  
Today I'm a part of you, dear  
My lonely nights are through, dear  
Since you said you were mine  
What a difference a day makes  
There's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss, that thrilling kiss  
It's heaven when you  
Find romance on your menu  
What a difference a day made  
And the difference is you  
The difference  
The difference is you
