

Over the Rainbow

Glenn Miller

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullabySomewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come trueSome day I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops, that's where you'll find meSomewhere over the rainbow
Skies are blue
Birds fly over the rainbow
Why then, oh why can't I?
