## Lately

## **Stevie Wonder**

Lately, I have had the strangest feeling
With no vivid reason here to find
Yet the thought of losing you's been hanging
'Round my mindFar more frequently you're wearing perfume
With you say no special place to go
But when I ask will you be coming back soon

You don't know, never knowWell, I'm a man of many wishes, hope my premonition misses

But what I really feel my eyes won't let me hide

'Cause they always start to cry

'Cause this time could mean goodbyeLately I've been staring in the mirror

Very slowly picking me apart

Trying to tell myself I have no reason

With your heartJust the other night while you were sleeping

I vaguely heard you whisper someone's name

But when I ask you of the thoughts you're keeping

You just say nothing's changedWell, I'm a man of many wishes, I hope my premonition misses

But what I really feel my eyes won't let me hide

'Cause they always start to cry

'Cause this time could mean goodbye, goodbyeOh, I'm a man of many wishes, I hope my premonition misses

But what I really feel my eyes won't let me hide

'Cause they always start to cry

'Cause this time could mean goodbye
