

# Kentucky Dirty

## Laura Bell Bundy

Ready to run for the roses.

Tired tired tired of keepin' up with the Jones.

Fiddly dee havin' a ball I'm proposin' we should p-a-r-t-y.

Dinggin' it deep like a coal mine.

Sip sip sippin' on strawberry moonshine.

Gonna be, leave it to me have a cold one hell of an f-r-i-day night.Twenty four hours every single day.

Twenty four miles til the Cumberland Lake.

Twenty four bottles in a cold beer case.

Coincidence? I think not.??Takin' all bets out of this city???

Where the girls are fast and the horses pretty.

Gonna get wild and a little bit flirty.

Everybody get Kentucky dirty.

??Bluegrass??high.

Odds are good we're gonna drink tonight, so pour a little Bourbon straight and sturdy.

Everybody get, everybody get \*hey\*, everybody get Kentucky dirty.Been countin' it down to let's do this.

ditched my hat, but kept the Mint Julip.

Like a wildcat I'm gonna prove it when we p-a-r-t-y. Gonna get my dance dirty.

Hope you understand dirty.

Wanna get my truck, my boots and my hands dirty.

It's gonna be, leave it to me \*woohoo\* one hell of an f-r-i-day night.Twenty four hours every single day.

Twenty four karats makes solid gold bling.

Twenty four bottles in a cold beer case.

Coincidence? Maybe.??Takin' all bet out of this city???

Where the girls are fast and the horses pretty.

Gonna get wild and a little bit flirty.

Everybody get Kentucky dirty.

??Bluegrass??high.

Odds are good we're gonna drink tonight, so pour a little Bourbon straight and sturdy.

Everybody get, everybody get \*hey\*, everybody get Kentucky dirty.Help me sing this song for my old Kentucky home.

For my old Kentucky home, home, home.??Takin' all bet out of this city???

Where the girls are fast and the horses pretty.

Gonna get wild and a little bit flirty.

Everybody get Kentucky dirty.

??Bluegrass??high.

Odds are good we're gonna drink tonight, so pour a little Bourbon straight and sturdy.

Everybody get, everybody get \*hey\*, gonna get a little bit, get a little bit \*hey\*, everybody get Kentucky dirty.Kentucky dirty.Kentucky dirty.Kentucky dirty.
