Changes

Magnum

With every word I hear there's no sympathy
It was destroyed and swept away
It is replaced by something I can't see
To stay forever and alwaysI'm going through changes
So many changes
I'm losing my senses don't know what to do
I'll go through my changes faster than youWe really should try and talk it out
Avoid the same mistake again
But I can see that there will be no doubt
Looks like we have reached the endI'm going through changes
So many changes
I'm losing my senses don't know what to do
I'll go through my changes faster than youIs there no one
Who feels the same as me?I'm going through changes
So many changes
I'm losing my senses don't know what to do
I'm going through changesSo many changes
I'm losing my senses don't know what to do
I'm going through changesGoing through changes, yeah, yeah
Going through changes, yeah, yeah
Going through changes, yeah, yeah
Going through changes, yeah, yeah
