

Nan's Song

[Robbie Williams](#)

You said when you died that you'd walk with me everyday
And I started to cry and said please don't talk that way
With a blink of an eye and the Lord came and asked you to leave
You went to a better place but they stole you away from me And now she lives in heaven
But I know they let her out
To take care of me
There's a strange kind of light
Caressing me tonight
Pray silence my fear
She is near
Bringing heaven down here I miss your love I miss your touch
But I'm feeling you every day
And I can almost hear you say
You've come a long way baby And now you live in heaven
But I know they let you out
To take care of me
There's a strange kind of light
In my bedroom tonight
Pray silence my fear
She is near
Bringing heaven down here
