Rough Around the Edges

Teitur

I'm lost in my head, been thinking all around
I gotta find the off-ramp to my heartStop-lights in a row when all I want is go
Drop into first and I'll get homeIt's okay, I'm alright
I'm just a little rough around the edges of this life
Play it cool, you can always follow
Breadcrumbs in a line when you are lostLittle, little seeds grew into trouble trees
Sorry, sorry sight between my earsI need to settle down and eat my troubled fruit
The sweetness of the taste will do me goodIt's okay, I'm alright
I'm just a little rough around the edges of this life
Play it cool, you can always follow
Breadcrumbs in a line when you are lostWell the corners of my frown have slowly turned around
No more upside down, no more upside sown
They've slowly, turned around
They've slowly, slowly turned aroundIt's okay, I'm alright
I'm just a little rough around the edges of this life
Play it cool, you can always follow
Breadcrumbs in a line when you are lostIt's okay, I'm alright
I'm just a little rough around the edges of this life
Play it cool, you can always follow
Breadcrumbs in a line when you are lost
