Lil mamaTags on the back of the lam say B Dub
Every night I'm in the streets and I'm G'd Up
5th album and I'm still banging out ya speakers
So so def nigga can't nobody see us
You know i keep it fresh when it comes to the fashion
At age 10 is when my mama heard the passion
I gotta stay stunting and i gotta keep flashing
7 figure checks is the only thing I'm cashing I'm stashing
Everything I get on it look tight
Ain't nothing like a hump when it jump and it shook right shook right
Ladies on a homie like I'm Denzel
Shirt off big chain rocking like I'm LL
Since 12 i done had a mill sitting in my garage
The Brazilian? girls coming giving me a massage
Before i was, people was treating me like a big star
Its a test if u wanna b in my entourageLil mama show me how you move it
Lil mama show me how you move it
Lil Lil Mama show me how you move it
Lil mama I wanna see ya
Lil mama show me how you move it
Lil mama show me how you move it
Lil Lil Mama show me how you move it
