Gold

Victoria Justice

Ive tried to let it go
But these butterflies I cant ignore
Cause every time that I look at you
Know were in a catch 22
Weve been friends for so long but I
Need to tell you whats on my mind
Im sick and tired of playing games
Cause I know that you feel the sameI know you inside out, so Im asking now
Take a chance on me
How much clearer can I be?Hey, boy, whatcha gonna do
If you want me like I want you,
Then man up and make your move
Im Gold, Gold
You, me, good as can be,
Want to be more than your company
So bet your money on me
Im Gold, GoldDo I really need to spell it out?
My heart skips when you're around
I got everything that you need
So come on baby get close to me
So confused that I'm not surprised
From greater bells, and rolled the dice
Know all your moves, don't know why I fall
Should put me out, but I want it allI know you inside out, so Im asking now
Take a chance on me
How much clearer can I be?Hey, boy, whatcha gonna do
If you want me like I want you,
Then man up and make your move
Im Gold, Gold
You, me, good as can be,
Want to be more than your company
So bet your money on me
Im Gold, GoldNa na na da da da dah doo
Na na na da da da dah doo doo doo
Na na na da da da dah doo

Im Gold, GoldBeen too cool just to tell you straight out
But by now I wish you figured it out
I wish you figured it out
I wish you figured it out
I wish ya!
Youre not a fool
You see what Im about,
So by now I think you figured it out
I think you figured it out
I think you figured it out
I think ya!Hey, boy, whatcha gonna do
If you want me like I want you,
Then man up and make your move
Im Gold, Gold
You, me, good as can be,
Want to be more than your company
So bet your money on me
