

23 Lies

Death In Vegas

High tails, and low tails
Love has knowledge
Story on story
Would you marry me?23 lies you told
Many more lives you holdThought I could believe
Thought I could believeHow long can you play this?
How long can you last?
Gaze up, you're so restless
On your way down fast23 lies you told
Many more lives you hold
23 lies you told
Many more lives you holdThought I could believe
