

# Love Struck

## ZOE

You got my attention when you made that move  
I, I can't help it cause I'm stuck like glue  
Why, why am I the only one to see?  
Girl, I really want to get that, get that  
Relation, no doubt about it Who can do it like you do it when you do?  
So hooked up on you like a tattoo  
I'm serious about it  
Girl, I really want to get that, get that  
Relation, no doubt about it I'm craving for you and just like a fool  
There's no way I can stop, stop, stop my desire  
I'm craving for you and you know it too  
There is no one that can top, top, top your smile Girl you got me  
Love struck, you got me  
Love struck, girl you got me  
Love struck oh, oh, oh, oh Girl you got me  
Love struck, you got me  
Love struck, girl you got me  
Love struck oh, oh, oh, oh I, I, I love it when you give me that smile  
I've, I've being waiting for this for a long time  
My, my, my premonition is telling me try  
Girl, I really want to get that, get that  
Relation, no doubt about it I have to give you credit for your style  
And I want to be with you for awhile  
I got to give it up cause  
Girl I really want to get that, get that  
Relation, no doubt about it I'm craving for you and just like a fool  
There's no way I can stop, stop, stop my desire  
I'm craving for you and you know it too  
There is no one that can top, top, top your smile Girl you got me  
Love struck, you got me  
Love struck, girl you got me  
Love struck, oh, oh, oh, oh Girl you got me  
Love struck, you got me  
Love struck, girl you got me  
Love struck oh, oh, oh, oh Yeah, you got me like a puppet on a string  
I can't stop it, girl you make my head spin And just like a fool  
There's no way I can stop, stop, stop my desire  
I'm craving for you and you know it too  
There's no one that can top, top, top your smile I'm craving for you and just like a fool

There's no way I can stop, stop, stop my desire  
I'm craving for you and you know it too  
There's no one who can top, top, top your smile  
Girl, you got me  
Love struck, you got me  
Love struck, girl, you got me  
Love struck, oh oh oh oh  
Girl, you got me  
Love struck, you got me  
Love struck, girl you got me  
Love struck, oh oh oh oh
