

The Red Flag

Billy Bragg

The people's flag is deepest red
It shrouded oft our martyred dead
And ere their limbs grew stiff and cold
Their hearts' blood dyed to every foldChorus:
Then raise the scarlet standard high
Beneath it's folds we'll live and die
Though cowards flinch and traitors sneer
We'll keep the red flag flying hereIt waved above our infant might
When all ahead seemed dark as night
It witnessed many a deed and vow
We must not change it's colour nowChorusIt well recalls the triumphs past
It gives the hope of peace at last
The banner bright, the symbol plain
Of human right and human gainChorusIt suits today the meek and base
Whose minds are fixed on pelf and place
To cringe beneath the rich man's frown
And haul that sacred emblem downChorusWith heads uncovered swear we all
To bare it onward till we fall
Come dungeons dark or gallows grim
This song shall be our parting hymnChorusWords: jim connell music: "the white cockade"
