

Preacher Man

Twitching Tongues

Well he talks in confusion
And he faults your point of view
You talk about his apparition
And he talks, I hear him laughing at you
Contamination and radiation
Let it crawl while the city sleeps
Your turn to lay for bait for a while
Now you're melting through your burning fields
And all my people say oh
Stop!
When he talks
Connected scars reopen
A thousand fingers
Reach out for you
We don't feel no contamination
Oh keep talking
You're a hunter, I'm a wolf
Yeah, keep talking
I'm the preacher you're a fool
Contamination and radiation
Let it crawl while the city sleeps
Your turn to lay for bait for a while
Now you're melting through your burning fields
That's when my people say oh
We don't feel no contamination
Radiation, contamination
Radiation, contamination
Radiation, contamination
Radiation
