

# High School Never Ends

## Bowling for Soup

Four years, you think for sure  
That's all you've got to endure  
All the total dicks, all the stuck-up chicks  
So superficial, so immatureAnd then when you graduate  
You take a look around and you say, "Hey, wait!"  
This is the same as where I just came from  
I thought it was over, oh, that's just greatThe whole damned world is just as obsessed  
With who's the best dressed and who's having sex  
Who's got the money, who gets the honeys  
Who's kinda cute and who's just a messAnd you still don't have the right look  
And you don't have the right friends  
Nothing changes but the faces, the names and the trends  
High school never endsCheck out the popular kids  
You'll never guess what Jesika did  
And how did Mary-Kate lose all that weight?  
And Katie had a baby, so I guess Tom's straightAnd the only thing that matters  
Is climbing up that social ladder  
Still care about your hair and the car you drive  
Doesn't matter if you're sixty or thirty-fiveReese Witherspoon, she's the prom queen  
Bill Gates, captain of the chess team  
Jack Black, a clown, Brad Pitt, the quarterback  
Seen it all before, I want my money back!The whole damned world is just as obsessed  
With who's the best dressed and who's having sex  
Who's in the club and who's on the drugs  
Who's throwing up before they digestAnd you still don't have the right look  
And you don't have the right friends  
And you still listen to the same shit you did back then  
High school never ends  
High school never endsThe whole damned world is just as obsessed  
With who's the best dressed and who's having sex  
Who's got the money, who gets the honeys  
Who's kinda cute and who's just a messAnd I still don't have the right look  
And I still have the same three friends  
And I'm pretty much the same as I was back then  
High school never ends  
High school never ends  
High school never ends  
And here we go again
