

You Look So Fine (Fun Lovin Criminals Mix)

Garbage

You look so fine
I want to break your heart
And give you mine
You're taking me over It's so insane
You've got me tethered and chained
I hear your name
And I'm falling over I'm not like all the other girls
I can't take it like the other girls
I won't share it like the other girls
That you used to know You look so fine Knocked down
Cried out
Been down just to find out
I'm through living for you I'm open wide
I want to take you home
We're wasting time
You're the only one for me You look so fine
I'm like the desert tonight
Leave her behind
If you want to show me I'm not like all the other girls
I won't take it like the other girls
I won't fake it like the other girls
That you used to know You're taking me over
Over and over
I'm falling over
Over and over Loving me one more time
Hide inside me tonight
Do what you want to do
Just pretend happy end
Let me know let it show
Ending with letting go (three times)
Let's pretend happy end (four times)
